

# THE PIG'S HEAD

PUB COMPANY

CHEF DE PARTIE

**A**t The Pigs Head, we are proof that operating a top quality pub & restaurant doesn't need to cost the earth. We are looking for passionate humans who truly care about the planet, themselves and others and would like to join our story around food.

Having already achieved carbon neutrality, we endeavour to work with environmentally mindful farmers, butcher meat on site, make our own bread, encourage creative input with our menu development, and compost food waste on site.

We're looking for an ambitious and talented Chef de Partie to help our kitchen team deliver what we believe is Clapham Old Town's best pub & restaurant, in an environment where you will be treated with respect and you will be proud of what you do.

To apply or for any questions about the role, email us at [kitchen@thepigshead.com](mailto:kitchen@thepigshead.com).
